

Spirit of Learning

We usually pursue formal education so that we become capable of earning a living, i.e.

We Learn to Earn

But we must ask why learn just to earn...

why learn just to earn?

why, why, why

Y - earn

Till we...

Yearn to Learn

Once we yearn to learn we will truly become...

Lifelong Learners

and will...

Learn to Urn!

Join learning conversations around skills relevant
for flourishing in the 21st century @
